Edit profile and Log Out

- **Presentation:** located immediately after the horizontal menu there is a slideshow of 3 images, each of which is accompanied by texts. The three slides slide independently or can be sent back and forth by the user using the arrows or the three rectangles at the bottom of the slide.

Presentation home page

- **Cookies and privacy banners:** upon first access to the Platform, the banner for the acceptance or rejection of Cookies appears to the user. The banner is displayed only upon first login. If the user wants to review the information, they can click on the key-shaped icon always present in the lower right corner of the portal

Cookies and privacy banners

- **Food Product Categories:** The user finds a section called "Find out what to eat" immediately after the Slide Show. Here it will be possible to explore a variety of Umbrian food products divided into categories. Within this section, several categories are listed, including olive oil, wine, cheese, and many more. The user can click on a category to view related products.

Find out what to eat

Horeca activities: If the user is interested in eating out and discovering the typical dishes of Umbria, he can go to the " **Where to Eat** " section in the main menu or on the Home page immediately after the Discover what to eat section. Here you will find a list of restaurants, trattorias and clubs where you can taste local specialities. This section offers the opportunity to discover new places for lunches and unforgettable scenes.
